

Looking for Exciting Internship Opportunities?

The South Metro Denver Chamber of Commerce is offering a unique student intern recruitment, training and placement program. The Student Leadership Program offers students in Colorado the opportunity to enhance their educational experience with practical business experience.

Benefits to Student Interns:

Mentoring

- The SLP works to set up interns with business leaders that will work with their interns to help them develop their skills and passions. With a strong mentor, students can achieve a higher level of understanding of the business world and the community surrounding them.

Community Connections

- The SLP is unique in the connections it has with top companies in Colorado. From business to engineering, there are a variety of organizations searching for talented students to work for them. With 1600 members, the SMDCC has plenty of opportunities for students, no matter what fields interest them.

Training

- Prior to placement, we provide SLP interns with special orientation training to help them understand how to interact with the business they have been placed with, be a valuable resource, and get the most from their intern experience. Participating students attend mock interviews, resume building workshops, and networking opportunities with the goal of gaining confidence and experience in the business world.

Convenience

- We match qualified student leaders to take on a variety of tasks and projects. We do all the preliminary work matching your qualifications to interested businesses.

Follow Up

- On going follow up and assistance with an SLP representative to answer questions, solicit feedback and make sure you are getting the most from your intern experience.

Cost to Students

- There is no charge for placement or to take advantage of the seminars, consultations, monthly meetings or events that are being offered. (*Compensation guidelines for interns will be provided for participating businesses.*)
